

With well over 2,300 55+ members, the Guelph/ Wellington Seniors Association is one of the largest organizations of its kind in Canada. We have a straightforward mission...“Be active! Get involved! Make friends!”

We are a non-profit, registered charity. The GWSA partners with the City of Guelph in the operation of the Evergreen Seniors Community Centre, a state-of-the-art recreational facility.

The GWSA also operates in other locations, such as the West End Community Centre, Victoria Road Rec Centre and, in the not-too-distant future, will be a key Partner with the City in the design and use of a new South End Community Centre.

GWSA makes available some 40 organized programs, activities and services throughout the year as well as special events and public interest forums.

We are supported by the active participation of more than 500 volunteers who make it all possible.
